## Student Expectations

- Current registration form must be on file with all contact information.
- A parent or appointed responsible person is required to walk their child, age 12 and under, to and from classroom and provide signature on the attendance sheet each day.
- Arrive for class on time (no more than ten minutes before the start of class, please).
- Observe the signs “Respect Self, Respect Others, Respect Center.”
- Student must remain in designated class during the assigned class time.
- Attendance policy- after 2 missed classes your spot may be filled from the waiting list.
- Late pick-up policy- we have limited staff and our teachers have back-to-back classes: we simply cannot provide for extended supervision at the beginning or conclusion of class. All students must be picked up on time. Only 1 late pick-up will be allowed, then program fees will be forfeited and student dismissed from program.
- Last day to drop- refunds are available before the 3<sup>rd</sup> class minus the non-refundable processing fee of \$10.
- For those with financial aid, class dropped is the free class, not the paid class.
- No parents or siblings in class (except for strings class).
- No siblings unattended for any reason.
- Please call 281-9503 extension 23 if an emergency prevents you from attending class or from arriving on time.

**Cornerstone reserves the right to dismiss any student for failure to follow the terms above. We appreciate your assistance so that we may provide a safe and fun atmosphere to experience the joy of Art, Music, Dance, Creative Writing, Cultural Arts and Language, and Theater!**
